

Translation of sea creatures in 4 quadrants

Original co-ordinates

Write the co-ordinates of the sea creatures

Fish (,)

Octopus (,)

Starfish (,)

Whale (,)

Turtle (,)

The sea creatures go on a journey so their co-ordinates are moved. Each creature translates 2 up and 3 right.

Translated co-ordinates

Write the co-ordinates of where the sea creatures end up

Fish (,)

Octopus (,)

Starfish (,)

Whale (,)

Turtle (,)
