

## Memories Poetry Planning

Below are some planning ideas to help you write a poem. For year 6 children the poem will be about the move up to secondary school and for year 5 children it will be about the move up to year 6 and if you want to, it could also include what you will miss about the current year 6 children.

What are your best memories at school?

What are you going to miss about primary school (about the year 6 children)?

What was your favourite trip and why?

Whom are you going to miss? Why?

What are your worries for the next year? Why?

What are you excited for the next year? Why?

How do you plan to tackle the next year? (e.g. by being brave)

Now you have taken the time to think about your feelings for next year, pick keywords from your plan and try to think of a rhyming pairs for it.
