Play 50/50

Find a bag/box or hat to use for this game.

Rip up paper. On each piece of paper write, 'cial' or 'tial'. Put the paper in the bag/box/hat.

Pick paper out of the bag/box.

Once you have picked out of the hat, you must try to think of a word with that ending.

Write a word which uses the suffix you have picked.

You must spell the word correctly!

If you are playing with someone, you win when the other person can't go or they spell their word incorrectly.

If playing alone, see how many words you can spell correctly before an error!
