

## Tuesday 26<sup>th</sup> January

Today you will be noting and developing initial ideas. You will be drawing on and using your reading and research from yesterday, to help you create your own Egyptian god or goddess.

Your design must include similar aspects of those from ancient Egyptian times. For example, some of the gods/goddesses looked very much like humans; however, others were part human and part animal. You need to decide what your Egyptian god is going to look like and what they will be the god/goddess of.

### Task 1

Draw your Egyptian god/goddess using your understanding from yesterday's reading and research.

If you have colours at home, use them to show exactly what your god/goddess would look like.

### Task 2

Bullet point or write in sentences about your ideas of what your god/goddess will be the god/goddess of. Try to write in PAST tense.

You could draw arrows to label any specific parts of your design.

### Task 3

Give your god/goddess a suitable Egyptian style name

## Example

### Ski

- Ski was the goddess of the skies.
- She was also the goddess of wisdom as she was thought to be all seeing.
- She was half human and half falcon so patrolled the skies around the Earth and beyond.
- She wore a gold headdress which was also a protective helmet
- She wore fancy jewellery to show the huge power she had over the world.
- It is believed that she was responsible for the creation of the heavens and Earth and all that are in them. She sure was powerful.
- She was the daughter of Ra and Isis.
