Vocabulary

It is important that we understand the meaning of words that we read. To help us with our understanding, we can ask questions about words and their meanings.

Today you are going to write a glossary of words you have read recently linked to our topic. A glossary explains the meaning of words. You could use a dictionary or the internet to help you.

Topic Words Glossary

<u>Word</u>	<u>Meaning</u>
Ancient	
Mummification	
Sarcophagus	
Pharaoh	
Afterlife	
Hieroglyphics	

Try to think of 3 other words you have read recently that you did not know the meaning of, either linked to our topic, in your own reading book, online or that has been spoken to you. Create a glossary for those words.
