

English- Wednesday

Continue writing your myth- you will have written the first two paragraphs yesterday so today; you are going to write two more.

*Remember to re-read what you have already written so that you can ensure the paragraphs that follow make sense.

Have a look at the guidelines below which will give you an idea of what you should include in the next two paragraphs and the point you should reach today before we complete the ending tomorrow.

**Don't forget to look at the vocabulary mat from yesterday.

Paragraph 3

- Describe the journey that your hero went on in order to reach the place where your monster lives- did they sail? What was the journey like?
- Who did your hero meet when they arrived (kind person) and what gifts did they get given?

Paragraph 4

- Describe what happens when your hero comes face to face with the monster (this would be a good place to add some speech using inverted commas- reflect back on the work you did about the conversation between Theseus and the Minotaur)
- Describe the battle that takes place- use expanded noun phrases to add detail
- Describe the outcome of the battle- explain how your hero wins
