

English- Thursday

Finish writing your myth- you will have written four paragraphs in total so far. Your task today is to write the final two paragraphs to bring your myth to an end.

*Remember to re-read what you have already written so that you can ensure the paragraphs that follow make sense.

Have a look at the guidelines below which will give you an idea of what you should include in the final two paragraphs.

**Don't forget to look at the vocabulary mat from Tuesday.

Paragraph 5

- Describe how your hero gets out of the labyrinth/place you have chosen, where do they go next? Why do they make this choice?

Paragraph 6

- Describe your hero's journey back to the place they call home (remember in Theseus and the Minotaur Theseus leaves Ariadne on the island)
- What happens when your hero arrives home? Is there a celebration? (Theseus' father jumped off the cliff due to him seeing the black sail and Theseus became King, families celebrated their children's safe return)
