

Task 4:

Write and practise saying a conversation in French. Maybe there is somebody at home who could be the second person in your conversation and you could teach them the vocabulary and then they read the 'person 2' part of the conversation that you have written.

****It would be great if you could send me a voice clip recording of you practising the vocabulary from today's lesson via TEAMS** ☺**

French	English
🔊) à bientôt	see you soon
🔊) à demain	see you tomorrow
🔊) au revoir	goodbye
🔊) bonjour	hello, good morning
🔊) bonne nuit	good night
🔊) bonsoir	good evening
🔊) salut	hi

If you want to ask someone how they are feeling, you can say 🔊) **Ça va ?** It's like saying 'How is it going?'.

So if someone asks you how you are, you could reply 🔊) **Ça va, merci** – 'Good, thank you'.

French	English
🔊) bien	good
🔊) et toi ?	And you?
🔊) oui, ça va	yes, ok
🔊) pas mal	not bad
🔊) mal	bad
🔊) très bien	very good

Remember in French...

Punctuation marks such as question marks, exclamation marks, colons and semi-colons have a space before them.

Below I have started an example of a conversation. You should lay it out as I have done. Maybe you could take the first part of my conversation and finish it off with your own ideas? Or maybe you could write a different conversation of your own.

*Don't forget to use the vocabulary boxes on the first page to help you and the lyrics in the song.

****Challenge:** see if you can add in anything else that we have learnt together at school e.g. ask the other person how old they are and tell them how old you are.

***Practise reading and saying your conversation with another person.

******Send me a voice clip via TEAMS of you practising the vocabulary/ singing the song.**

Person 1: "Bonjour"

Person 2: "Salut"

Person 1: "Comment ca va ?"

Person 2: "Ca va tres bien merci, et toi ?"
