Newsletter March 2021

This is a quick newsletter to welcome back all our friends to Pre-school, we have missed you all. We are going to keep the next couple of weeks as calm as possible to settle everyone back in. I'm sure everyone will be very excited to get back to playing with their friends.

With that in mind we have a questionnaire that we would like you to fill in to help the return to Pre-school. It gives you the opportunity to tell us about how things have gone over lockdown. Also a little bit about communication between Pre-school and you as parents. Obviously we never knew just how important this was going to become and would like the opportunity to see how we did and if we could do better!

Just to recap on some of our new routines.

- Please continue to enter via the school gate and drop at the Pre-school playground.
- Make sure your child has a carrier bag with a change of clothing, water-proofs and wellies which can stay in Pre-school through the term.
- Please ensure that when on school/Pre-school premises you wear a mask.

And the old ones

- Please ensure that your child's name is in all their items of clothing.
- Please can children bring a named bottle of water to drink.

Hopefully you will have seen that we now have a weekly blog on the Pelynt Primary website which showcases some of the children's wonderful work and activities. It also gives an idea as to what's coming up at Pre-school and ideas for home. Check us out at www.pelyntprimary.co.uk/Class/PreSchool

Return to Pre-school

Has there been any significant events whilst your child has been away from us?	
What games / toys have they been enjoying recently?	
Have they any achievements that you would like to share with us? From learning to ride a bike, numbers or putting shoes on?	
Do you feel that the changes over the recent year have had an impact on your child?	
Is there anything that you would like to share with us?	
Do you feel you had enough support and communication from us over lockdown, is there anything we could have done better?	

What communication platforms do you use?

	Never	Weekly	Occasionally
Newsletter Paper			
Newsletter emailed			
Facebook Pre-school page			
Pelynt Pre-school weekly blog			

Could we develop any of these platforms to work better for you?
