

Friday 26<sup>th</sup> February 2021

### Maths:

Today, if you are in **pink group**, your learning objective is to be able to understand block diagrams. Please watch the video below (Block Diagrams) and complete the attached questions.

<https://whiterosemaths.com/homelearning/year-2/spring-week-6-statistics/>

Today, if you are in **orange group**, your learning objective is to measure length. Please watch the video below (Measure length) and complete the attached questions.

<https://whiterosemaths.com/homelearning/year-3/spring-week-7-measurement-length-and-perimeter/>

Today, if you are in **green group**, your learning objective is to understand fractions greater than 1. Please watch the video below (Fractions greater than 1) and complete the attached questions.

<https://whiterosemaths.com/homelearning/year-4/spring-week-6-number-fractions/>

**\*\*The answers are attached so that you can self-mark your work\*\***

### English:

Your task for today is to reflect on and evaluate your Greek myth.

Open the document in the uploads called 'English Friday Evaluation'. You will see there is a table in the document. You will need to read each statement and see if you have included it in your myth. You will then need to find evidence of it within your myth and record it in the table. **\*\*Send me your table once you have completed it via TEAMS chat. \*\*** The end column says 'teacher' - I will fill this column in once I have received your myth and table.

The final task to complete is at the bottom of the document where you have to write down something you are really proud of in your writing and something you will improve on in your next piece of writing. This will show that you have completed the writing cycle of *plan- write- edit and improve- evaluate*.

### Reading:

Reading comprehension- The story of Icarus- read the text and then write down the answers to the questions in full sentences. Remember you need to include the question within the answer (we have practised this in school!) You will see the level of challenge is from 1\* to 3\*, choose the level of your choice but remember to challenge and stretch yourself. The questions are within the same document as are the answers so that you can **self-mark your work once completed**.

**Be active:** Choose an activity from the daily activity menu and get your heart rate up for 30 minutes. If you have any other suggestions for this menu, please let me know!

### Spelling/Phonics:

**Phonics group-** Today you are going to be practising the sound 'bl'. Your task is to copy out the words below and add the sound buttons underneath. Remember that two letters that make one sound is a digraph and is written like this example: bl oom

**black**      **blue**      **blob**      **block**      **blink**      **bloom**      **blow**      **blank**

**Words of the week:** **said**   **have**

**Then,** write four sentences with each one containing one of the words above. Remember finger spaces, capital letters and full stops. Challenge: write another sentence containing a conjunction and some of the words above.

**Orange spelling group-** This week you are going to be recognising common prefixes (un and dis) and understanding how they change the meaning of words. See uploaded document for your task.

**Green spelling group-** This week you are going to be identifying, learning and spelling words with the ai sound spelt ei, eigh or ey. See uploaded document for your task.

### History:

Your learning objective for today is to find out about the influences the Ancient Greeks had on the western world. You will find out about their legacies and inventions. Click the link below which will take you to BBC Bitesize.

<https://www.bbc.co.uk/bitesize/topics/z87tn39/articles/z8q8wmn>

#### Tasks:

1. Watch the video and design a poster to show the influences that the Ancient Greeks had on the western world e.g. democracy, Olympic games etc.
2. Follow this link and play the game called 'Legacy and inventions'. You need to find Argo, the lost dog. You may want to choose another element once you have completed 'Legacy and inventions'
