

TASK: write one fact and one opinion for each card.

Fact: something that is true (what can you actually see?)

e.g. The sandcastle has five cone shapes at the top.

Opinion: something that is assumed (opinion)

e.g. It took the boys a long time to build the sandcastle.

Fact and Opinion

Guided Reading Task Cards

Be able to tell the difference between something that is true and something that is assumed

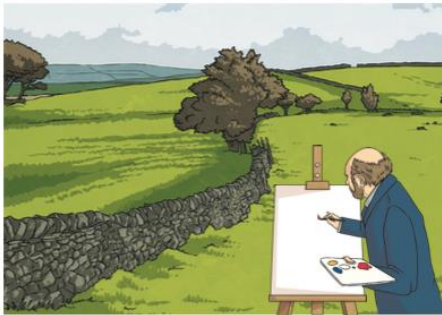

Fact and Opinion

Can you say one fact and one opinion about this picture?

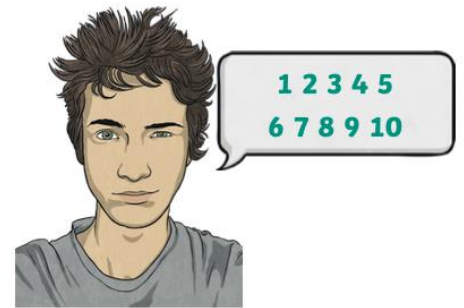

Fact and Opinion

Can you say one fact and one opinion about this picture?

Fact and Opinion
