9. Which one of Roald Dahl's characters is being described here?

The Giant took off his black cloak and hung it against the wall. Sophie saw that under the cloak he was wearing a sort of collarless shirt and a dirty old leather waistcoat that didn't seem to have any buttons.

“Ha!” shouted the Giant, walking forward and rubbing his hands together, “What has us got here?” His booming voice rolled around the walls of the cave like a burst of thunder.
